LVRKK

# LÄÄNE-VIRU RAKENDUSKÕRGKOOOL

## (*Lääne-Viru College*)

was founded on September 3, 2007.

Before that the school was named as  
**Lääne-Virumaa Higher Vocational School**

It was founded in 2001, when two schools:  
Mõdriku Agricultural Vocational School and  
Rakvere Pedagogical School were united.

# History

- For more than 80 years there has been school in Mõdriku (founded in 1927).
- First established as housekeeping school.
- After the World War II there were some agricultural study programmes.
- Since 1957 we have educated accountants.
- Every year approximately 100 accounting students graduate.

# Today

- The number of students is nearly 1,200.
- Academic staff consists of 60 lectures and teachers.
- Two departments:
  - Social Work
  - Entrepreneurship and Accountancy
- The Adult Learning Center in Rakvere

# Number of students

# Our school specialities

- Regional school - about 50% of our students are from Lääne- and Ida-Virumaa.
